Post-Surgical Bra

Application Instructions

1. Detach straps and place the bra under the patient.
2. Grasp both sides of the bra and press together. There should be some tension.
3. Attach straps to front of bra at the top of the band.
4. Bra can easily be adjusted by peeling fasteners apart at front and straps.

Alternative Application

The Dale Post Surgical Bra may also be applied without detaching the straps by gently guiding the patient's arms through the straps.
